VOLUME 31

JULY-DECEMBER 1987

IDENTIFICATIONS	DATE	ISSUE
s-symposium	JULY	1
oa-original article	AUGUST	2
oarc-original article	SEPTEMBER	3
Resident's Corner	OCTOBER	4
	NOVEMBER	5
	DECEMBER	6

SUBJECTS

ABDOMEN

management of idiopathic retroperitoneal fibrosis 31(5):22, 1987 oa

torsion of a wandering spleen: a rare cause of acute abdomen 31(1):16, 1987 oa

ANATOMY

surgical anatomy of the liver and associated extrahepatic structures (part 4 of 5) 31(1):25, 1987 oa

surgical anatomy of the liver and associated extrahepatic structures (part 5 of 5) 31(2):27, 1987 oa

ANEURYSMS

multiple arterial aneurysms: a seven-year follow-up 31(4):73, 1987 oa

BILIARY

cost-effective management of pancreatic and bile duct cancer 31(4):64, 1987 oa

surgical anatomy of the liver and associated extrahepatic structures (part 4 of 5) 31(1):25, 1987 oa

surgical anatomy of the liver and associated extrahepatic structures (part 5 of 5) 31(2):27, 1987 oa

BLOOD

ovarian tumors with associated

splenomegaly and hemolytic anemia 31(1):43, 1987 oarc

BREAST

the case against prophylactic node dissection 31(4):47, 1987 oa

hormonal ablation in breast cancer 31(6):29, 1987 s

inflammatory breast carcinoma treated with combination chemotherapy and surgery 31(4):87, 1987 oa

management of clinically curable breast cancer 31(3):49, 1987 s

prophylactic mastectomy for benign disease 31(3):13, 1987 oa

CANCER

aortocoronary bypass and concomitant resection for carcinoma of the lung 31(1):11, 1987 oa

carcinoma arising within thyroglossal duct remnants 31(4):99, 1987 oarc

clinical syndromes associated with pancreatic islet cell endocrine tumors 31(4):12, 1987 oa

cost-effective management of pancreatic and bile duct cancer 31(4):64, 1987 oa

hormonal ablation in breast cancer 31(6):29, 1987 s

inflammatory breast carcinoma treated with combination chemotherapy and surgery 31(4):87, 1987 oa

management of clinically curable breast cancer 31(3):49, 1987 s

management of liver metastases from colon carcinoma 31(5):47, 1987 s

new concepts in cancer therapy 31(4):117, 1987 s

ovarian tumors with associated splenomegaly and hemolytic anemia 31(1):43, 1987 oarc

retroperitoneal leiomyosarcoma: is it invading or originating from the inferior vena cava? case report of successful resection 31(2):45, 1987 oa

spontaneous pneumothorax as first manifestation of bronchial carcinoma and mesothelioma 31(1):39, 1987 oa

thyroid carcinoma- part 2 31(1):51, 1987 s

COLON/RECTUM

management of liver metastases from colon carcinoma 31(5):47, 1987 s

rectal procidentia 31(2):57, 1987 s

ENDOCRINE

clinical syndromes associated with pancreatic islet cell endocrine tumors 31(4):12, 1987 oa

FIBROSIS

management of idiopathic retroperitoneal fibrosis 31(5):22, 1987 oa

GASTROINTESTINAL TRACT

aortoduodenal fistula following renal artery bypass: a rare cause of upper gastrointestinal bleeding 31(4):107, 1987 oarc

proximal gastric vagotomy: a dependable technique for cure of duodenal ulcers 31(5):9, 1987 oa

HEART

aortocoronary bypass and concomitant resection for carcinoma of the lung 31(1):11, 1987 oa

HERNIA

prospective computerized study of 6000+ herniorrhaphies 31(6):11, 1987 oa

repair of large diffuse lumbar hernias by an extraperitoneal binder technique 31(2):11, 1987 oa

INTESTINAL

biofragmentable ring for sutureless bowel anastomosis: early clinical experience 31(4):39, 1987 oa

mesenteric panniculitis: a cause of double-barreled intussusception of the small intestine 31(3):22, 1987 oa

pneumatosis cystoides intestinalis 31(2):53, 1987 oarc

prospective computerized study of 6000+ herniorrhaphies 31(6):11, 1987 oa

index

LIVER

management of liver metastases from colon carcinoma 31(5):47, 1987 s

surgical anatomy of the liver and associated extrahepatic structures (part 4 of 5) 31(1):25, 1987 oa

surgical anatomy of the liver and associated extrahepatic structures (part 5 of 5) 31(2):27, 1987 oa

LUNG

aortocoronary bypass and concomitant resection for carcinoma of the lung 31(1):11, 1987 oa

spontaneous pneumothorax as first manifestation of bronchial carcinoma and mesothelioma 31(1):39, 1987 oa

NUTRITION

metabolic response to trauma 31(4):55, 1987 oa

nutritional management in the trauma patient 31(6):24, 1987 oa

PANCREAS

clinical syndromes associated with pancreatic islet cell endocrine tumors 31(4):12, 1987 oa

cost-effective management of pancreatic and bile duct cancer 31(4):64, 1987 oa

PEDIATRIC SURGERY

cervical teratoma of the newborn 31(1):46, 1987 oa

cloacal extrophy 31(3):47, 1987 oa

mediastinal bronchogenic cyst 31(5):38, 1987 oa

neonatal ovarian ascites 31(2):46, 1987 oa

omphalocele 31(4):113, 1987 oa

REFLECTIONS

reflections of John L. Madden, M.D. 31(4):28, 1987 oa

RESIDENT'S CORNER

aortoduodenal fistula following renal artery bypass: a rare cause of upper gastrointestinal bleeding 31(4):107, 1987 oarc

carcinoma arising within thyroglossal duct remnants 31(4):99, 1987 oarc

ovarian tumors with associated splenomegaly and hemolytic anemia 31(1):43, 1987 oarc

pneumatosis cystoides intestinalis 31(2):53, 1987 oarc

segmental renal artery occlusion in multiple penetrating injuries 31(5):43, 1987 oarc

SPLEEN

ovarian tumors with associated splenomegaly and hemolytic anemia 31(1):43, 1987 oarc

torsion of a wandering spleen: a rare cause of acute abdomen 31(1):16, 1987 oa

TECHNOLOGY

biofragmentable ring for sutureless bowel anastomosis: early clinical experience 31(4):39, 1987 oa

the development of a high visibility needle 31(1):48, 1987 oa

interruption of the inferior vena cava with the Hunter-Sessions balloon: experience with forty patients 31(5):17, 1987 oa

THYROID

thyroid carcinoma- part 2 31(1):51, 1987 s

TRAUMA

metabolic response to trauma 31(4):55, 1987 oa

nutritional management in the trauma patient 31(6):24, 1987 oa
segmental renal artery occlusion in multiple penetrating injuries 31(5):43, 1987 oarc

TUMOR

lipomatosis of the ileocecal valve 31(2):20, 1987 oa

thorotrast induced Klatskin's tumor 31(5):35, 1987 oa

VASCULAR

aortoduodenal fistula following renal artery bypass: a rare cause of upper gastrointestinal bleeding 31(4):107, 1987 oarc

axillary artery pseudoaneurysm following successful axillary bilateral femoral bypass 31(4):92, 1987 oa

interruption of the inferior vena cava with the Hunter-Sessions balloon: experience with forty patients 31(5):17, 1987 oa

multiple arterial aneurysms: a seven-year follow-up 31(4):73, 1987 oa

peripheral ischemia from cold-agglutinin induced vasculitis 31(4):80, 1987 oa

segmental renal artery occlusion in multiple penetrating injuries 31(5):43, 1987 oarc

vascular cannulation techniques in intravenous drug addicts and patients with limited or difficult intravenous access 31(3):31, 1987 oa

VASCULAR ROUNDS

multiple arterial aneurysms: a seven-year follow-up 31(4):73, 1987 oa

AUTHORS

Aaland M

pneumatosis cystoides intestinalis 31(2):53, 1987 oarc

Adson M

management of liver metastases from colon carcinoma 31(5):47, 1987 s

Alghanem AA

retroperitoneal leiomyosarcoma: is it invading or originating from the inferior vena cava? case report of successful resection 31(2):45, 1987 oa

Amsel M
